Notes:

The system configuration and monthly subscription are part of the 60 day free trial offer. If you decide to continue using our services after the trial is over, the system configuration fee will be billed and the subscription will commence. The subscription will not be retroactive for the prior 60 days during the trial period.

If you decide NOT to continue using our services after the 60 day trial you will not be liable for the system configuration or the subscription. Optional services are non-refundable.

Subscription accounts are invoiced monthly following the completion of the 60 day free trial. If your account becomes 30 days past due you will receive your first notice. All notices will be sent via email to the billing contact on record. If your account becomes 60 days past due you will receive your second and final notice. If you have not contacted us or paid your account by 65 days past due, your account will be locked until it is paid to current.
